

OFS Credit Company Declares Monthly Common Stock Cash Distributions

February 23, 2026

CHICAGO--(BUSINESS WIRE)--Feb. 23, 2026-- OFS Credit Company, Inc. (Nasdaq: OCCI) ("OFS Credit," the "Company," "we," "us" or "our"), an investment company that primarily invests in collateralized loan obligation ("CLO") equity and debt securities, today announced that its board of directors (the "Board") declared monthly cash distributions of \$0.05 per share of common stock for each of the two months of March and April 2026.

"The revised monthly cash distribution rate of \$0.05 per share of common stock aligns more closely with our projected near-term net investment income, which we believe will allow us to preserve capital and help provide stability to our net asset value," said Bilal Rashid, Chief Executive Officer. "We believe that the retained capital will enable us to invest in potential, attractive risk-adjusted return opportunities, as well as to manage our capital structure amid current market volatility."

The following schedule applies to the common stock (Nasdaq: OCCI) distributions for common stockholders of record on the close of business of each specific record date:

| Month | Record Date | Payment Date | Cash Distribution Per Share |
|------------|----------------|----------------|-----------------------------|
| March 2026 | March 16, 2026 | March 31, 2026 | \$0.05 |
| April 2026 | April 15, 2026 | April 30, 2026 | \$0.05 |
