To Our Stockholders:

You are cordially invited to attend the 2020 Annual Meeting of Stockholders of OFS Credit Company, Inc. to be held on Tuesday, August 18, 2020 at 10:00 a.m., local time, at 10 South Wacker Drive, 25th Floor, Chicago, Illinois 60606.

The Notice of Annual Meeting and Proxy Statement on the following pages describe the matters to be presented at the 2020 Annual Meeting.

We are providing access to our proxy materials online under the U.S. Securities and Exchange Commission's "notice and access" rules. As a result, we are mailing to our stockholders a notice instead of a paper copy of this Proxy Statement. The notice contains instructions on how to access documents online. The notice also contains instructions on how stockholders can receive a paper copy of our materials, including this Proxy Statement, forms of proxy cards or voting instruction cards and our annual and semi-annual reports. We believe that this distribution process is more resource conscious and cost efficient.

If you plan to attend the Annual Meeting and vote your shares of our common stock in person, you will need to bring photo identification in order to be admitted to the Annual Meeting. In addition, please be advised that we are monitoring the recent global outbreak of COVID-19 (more commonly known as the coronavirus) and the related health and travel concerns. If we determine that it is not advisable to hold the Annual Meeting in person, we may determine to hold a virtual Annual Meeting of Stockholders. If such a determination is made, we will, as promptly as possible, announce details on how to participate in such virtual Annual Meeting by issuing a press release and posting such information at www.proxyvote.com. In addition, such details will be filed with the SEC as additional proxy materials.

Your vote is important. Regardless of whether you participate in the Annual Meeting, we hope you vote as soon as possible. You may vote by proxy online or by phone, or, if you receive paper copies of the proxy materials by mail, you may also vote by mail by following the instructions on the proxy cards or voting instruction cards. Voting online, by phone, written proxy, or voting instruction card ensures your representation at the Annual Meeting.

Thank you for your ongoing support of, and continued interest in, OFS Credit Company, Inc.

Sincerely yours,

Bilal Rashid

Voting Securities

Stockholders of record (i.e., holders of shares of the Company’s outstanding common stock, par value \$0.001 per share, or Common Stock, or outstanding preferred stock, par value \$0.001 per share, or Preferred Stock) at the close of business on Tuesday, June 23, 2020 will be entitled to notice of, and to vote at, the Annual Meeting. On that date, 3,244,829 shares of our Common Stock were issued and outstanding and 852,660 shares of our Preferred Stock were issued and outstanding. Each share of Common Stock and Preferred Stock entitles the holder thereof to one vote with respect to all matters submitted and applicable to each Common Stock and Preferred Stockholder at the Annual Meeting. We have no other securities entitled to vote at the Annual Meeting. Stockholders have no dissenters’ or appraisal rights in connection with any of the proposals described herein.

Quorum and Vote Required

The presence in person or representation by proxy of the holders of a majority of the shares of capital stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained. Abstentions are included in the shares present at the Annual Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved and thus, have no effect on the outcome.

If you hold shares of Common Stock or Preferred Stock through a broker or nominee, you must follow voting instructions you receive from your broker or nominee. If you hold shares of Common Stock or Preferred Stock through a broker or nominee and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Annual Meeting. Please instruct your broker or nominee so your vote can be counted. In addition, shares held of record by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote, will be entitled to vote

at the Annual Meeting and will be treated as shares present for quorum purposes.

The table below sets forth the quorum requirements and votes required for each of the proposals to be presented at the Annual Meeting:

Proposal	Description	Quorum Requirement	Vote Required	Broker Discretionary Voting Allowed
No. 1	Election of two (2) members of the board of directors to serve as Class II directors for a term of three years.	The presence, in person or by proxy, of holders of a majority in voting power of the outstanding shares of Common Stock and Preferred Stock, voting together as a single class, entitled to vote at the Annual Meeting, except with respect to any such matter that, under applicable statutes or regulatory requirements, requires approval by a separate vote of one or more classes of stock, in which case the presence in person or by proxy of the holders of shares entitled to cast a majority of the votes entitled to be cast by each such class on such a matter shall constitute a quorum.	For the election of Mr. Robert J. Cresci, the affirmative vote of the holders of a plurality of the shares of Common Stock and Preferred Stock, voting together as a single class, represented at the Annual Meeting, provided a quorum is present in person or by proxy. For the election of Ms. Romita Shetty, the affirmative vote of the holders of a plurality of the shares of Preferred Stock, voting as a single class, represented at the Annual Meeting, provided a quorum the holders of Preferred Stock is present in person or by proxy.	Yes
No. 2	Ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2020.	The presence, in person or by proxy, of holders of a majority in voting power of the outstanding shares of Common Stock and Preferred Stock, voting together as single class, entitled to vote at the Annual Meeting.	The affirmative vote of the holders of a majority in voting power of the outstanding shares of Common Stock and Preferred Stock, voting together as a single class, represented at the Annual Meeting and voting on this proposal, provided a quorum is present in person or by proxy.	Yes

Election of Class II Directors. The election of a director requires the affirmative vote, in person or by proxy, of a plurality of the votes entitled to be cast on the matter. Mr. Robert J. Cresci must be elected by a plurality of the votes entitled to be cast at the Annual Meeting by holders of our outstanding Common Stock and Preferred Stock, voting together as a single class. Ms. Romita Shetty must be elected by a plurality of votes entitled to be cast at the Annual Meeting solely by holders of our outstanding Preferred Stock, voting as a single class. Stockholders may not cumulate their votes. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Since brokers or nominees will have discretionary authority to vote shares in the absence of voting instructions from stockholders, we expect that there will be no broker non-votes on this proposal.

Ratification of Our Independent Registered Public Accounting Firm. The affirmative vote of a majority in voting power of the outstanding shares of Common Stock and Preferred Stock present in person or represented by proxy at the Annual Meeting and voting on this proposal is required to approve this proposal. An abstention from voting on this proposal will have no effect on the outcome of this proposal. Since brokers or nominees will have discretionary authority to vote shares in the absence of voting instructions from stockholders, we expect that there will be no broker non-votes.

Voting Your Shares

If you are the record holder of your shares, you may vote in one of four ways. You may vote by submitting your proxy by telephone, over the Internet, by mail or you may vote in person at the Annual Meeting.

You may vote by telephone. You may vote your shares by following the “Vote by Phone” instructions set forth on the enclosed proxy cards.

You may vote over the Internet. If you have Internet access, you may vote your shares from any location in the world by following the “Vote by Internet” instructions set forth on the enclosed proxy cards.

You may vote by mail. You may vote by completing, dating and signing the applicable proxy cards that accompany this proxy statement and promptly mailing it/them in the enclosed postage-paid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card(s) you mail. If you return the proxy card(s), but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance

with the recommendations of our board of directors. Our board of directors recommends that you vote FOR the director nominees of our board of directors and FOR the ratification of our independent public accounting firm.

You may vote in person. If you attend the Annual Meeting and are a registered stockholder, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the Annual Meeting. If you hold your shares through a bank or broker, you must obtain a legal proxy from your bank or broker in order to vote at the Annual Meeting.

Changing Your Vote; Revocation of Proxy

Voting by telephone, over the Internet or execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person. A proxy may be revoked before it is used to cast a vote. To revoke a proxy, a stockholder must:

- file with our corporate secretary, at or before the taking of the vote, a written notice of revocation bearing a later date than the proxy;
- duly execute a later dated proxy relating to the same shares and deliver it to our corporate secretary before the taking of the vote; or
- attend the Annual Meeting and vote in person.

Attendance at the Annual Meeting, if a stockholder does not vote at the Annual Meeting, will not be sufficient to revoke a proxy.

Any written notice of revocation or subsequent proxy should be sent to us at the following address: OFS Credit Company, Inc., 10 South Wacker Drive, Suite 2500, Chicago, Illinois 60606, Attention: Tod K. Reichert, Corporate Secretary. The shares represented by all properly executed proxies received in time for the Annual Meeting will be voted as specified in those proxies.

If the shares you own are held in your name and you do not specify on the proxy card how your shares are to be voted, they will be voted in favor of (i) the election of the director nominees named in this proxy statement and recommended by our board of directors, (ii) the ratification of the selection of KPMG LLP as our independent registered public accounting firm and (iii) in the discretion of the persons appointed as proxies, on any other items that may properly come before the Annual Meeting.

If the shares you own are held in "street name," the bank or brokerage firm, as the record holder of your shares, is required to vote your shares in accordance with your instructions. To vote your shares held in "street name," you will need to follow the directions provided to you by your bank or brokerage firm.

Information Regarding This Solicitation

The accompanying proxy is solicited by and on behalf of our board of directors, and we will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing the Notice of Internet Availability of Proxy Materials, this proxy statement, the accompanying Notice of Annual Meeting of Stockholders and proxy cards, and our Annual Report and Semi-Annual Report. Proxies may be solicited on our behalf by our directors, officers or employees in person or by telephone, electronic transmission and/or facsimile transmission.

IF YOU PLAN TO ATTEND THE ANNUAL MEETING AND VOTE YOUR SHARES OF THE COMPANY'S COMMON STOCK IN PERSON, YOU WILL NEED TO BRING PHOTO IDENTIFICATION IN ORDER TO BE ADMITTED TO THE ANNUAL MEETING. IN ADDITION, PLEASE BE ADVISED THAT THE COMPANY IS MONITORING THE RECENT GLOBAL OUTBREAK OF COVID-19 (MORE COMMONLY KNOWN AS THE CORONAVIRUS) AND THE RELATED HEALTH AND TRAVEL CONCERNS. IF THE COMPANY DETERMINES THAT IT IS NOT ADVISABLE TO HOLD THE ANNUAL MEETING IN PERSON, THE COMPANY MAY DETERMINE TO HOLD A VIRTUAL ANNUAL MEETING OF STOCKHOLDERS. IF SUCH A DETERMINATION IS MADE, THE COMPANY WILL, AS PROMPTLY AS POSSIBLE, ANNOUNCE DETAILS ON HOW TO PARTICIPATE IN SUCH VIRTUAL ANNUAL MEETING BY ISSUING A PRESS RELEASE AND POSTING SUCH INFORMATION AT WWW.PROXYVOTE.COM. IN ADDITION, SUCH DETAILS WILL BE FILED WITH THE SEC AS ADDITIONAL PROXY MATERIALS.

PROPOSAL ONE
ELECTION OF DIRECTORS

Board Recommendation

Our board of directors recommends a vote “FOR” the election of Mr. Cresci and Ms. Shetty as Class II directors.

We have three classes of directors, currently consisting of one Class I director, two Class II directors and two Class III directors. At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those whose terms are expiring. The terms of the three classes are staggered in a manner so that only one class is elected by stockholders annually. Bilal Rashid is currently serving as the Class I director and his term expires in 2022. Robert J. Cresci and Romita Shetty are currently serving as Class II directors, whose terms expire in 2020. Kathleen M. Griggs and Jeffrey A. Cerny are currently serving as Class III directors, whose terms expire in 2021. The Class II directors elected this year will serve as members of our board of directors until the 2023 annual meeting of stockholders, or until their successors are elected and qualified.

The persons named in the enclosed proxy cards will vote to elect Mr. Cresci and Ms. Shetty as a Class II directors unless you cast a vote “withhold authority” by marking the applicable proxy card (whether executed by you or through the Internet or telephonic voting). Mr. Cresci and Ms. Shetty currently serve on our board of directors, have indicated their willingness to continue to serve if elected and have consented to be named as nominees. However, if the director nominees should be unable to serve, the shares of Common Stock and Preferred Stock represented by proxies may be voted for substitute nominees designated by our board of directors. Our board of directors has no reason to believe that the nominees will be unable to serve if elected.

Director Qualifications

In considering whether to recommend any particular candidate for inclusion in the board’s slate of recommended director nominees, the nominating and corporate governance committee applies the criteria attached to its charter. These criteria include the candidate’s integrity, business acumen, knowledge of our business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The nominating and corporate governance committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee.

We believe that our directors and nominees have an appropriate balance of knowledge, experience, attributes, skills and expertise required for our board as a whole and that we have sufficient independent directors to comply with applicable law and regulations. We believe that our directors have a broad range of personal and professional characteristics, including: leadership; management ability; financial experience; the ability to act with integrity and sound judgment; the capacity to demonstrate innovative thinking, consider strategic proposals, assist with the development of our strategic plan and oversee its implementation; the ability to oversee our risk management efforts; and the commitment to preparation for, and attendance at, board and committee meetings.

Our board of directors does not have a specific diversity policy, but considers diversity of race, religion, national origin, gender, sexual orientation, disability, cultural background and professional experiences in evaluating candidates for board membership. We believe diversity is important because a variety of viewpoints contribute to

an effective decision-making process.

Set forth below for each of our directors, including the Class II director nominees, is information as of July 8, 2020 with respect to each director's (a) name and age, (b) positions and offices with us, (c) principal occupation and business experience during at least the past five years, (d) directorships, if any, of other publicly held companies held during the past five years and (e) the year such person became a member of our board of directors.

Following each director's biographical information, we have provided information concerning the particular experience, qualifications, attributes and/or skills that led our nominating and corporate governance committee and board of directors to determine that each individual should serve as a director.

CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that OFS Credit is managed for the long-term benefit of our stockholders. During the past year, we have continued to review our corporate governance policies and practices and to compare them to those suggested by various authorities in corporate governance and the practices of other public companies.

This section describes key corporate governance practices that we have adopted. Complete copies of our committee charters, code of business conduct and code of ethics are available in the “Corporate Governance” section of our website at www.ofscreditcompany.com. Alternatively, you may request a copy of any of these documents by writing to OFS Credit Company, Inc., 10 South Wacker Drive, Suite 2500, Chicago, Illinois 60606, attention: Tod K. Reichert, Corporate Secretary, telephone: (847) 734-2000.

Board Determination of Independence

Under applicable Nasdaq rules, a director will only qualify as an “independent director” if, in the opinion of our board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq Marketplace Rules provide that a director of an investment company shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the past two years had, a material business or professional relationship with us.

Our board of directors has determined that none of Kathleen M. Griggs, Robert J. Cresci and Romita Shetty, who currently comprise our audit, compensation and nominating and corporate governance committees, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under Nasdaq Marketplace Rules.

In determining the independence of the directors listed above, our board of directors also considered each of the statutory requirements, policies and relationships discussed in “Related-Party Transactions and Certain Relationships” and “Review, Approval or Ratification of Transactions with Related Persons.”

Board Meetings and Attendance

Our board of directors met eight times during the fiscal year ended October 31, 2019, or Fiscal 2019, either in person or by teleconference. During Fiscal 2019, each director attended at least 75% of the aggregate of the total number of board meetings and the total number of meetings held by all committees on which he or she then served.

Director Attendance at Annual Meetings of Stockholders

We encourage each director to make a diligent effort to attend each annual meeting of stockholders. Romita Shetty, Robert J. Cresci and Bilal Rashid attended the 2019 annual meeting, and all of our directors are expected to attend the 2020 Annual Meeting.

Board Leadership Structure; Independent Lead Director

Our board of directors monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, our board of directors approves the appointment of our investment adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our officers, and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Our board of directors understands that there is no single, generally accepted approach to providing board leadership and that given the dynamic and competitive environment in which we operate, the right board leadership structure may vary as circumstances warrant. Consistent with this understanding, the independent directors consider the board’s leadership structure on an annual basis. This consideration includes the pros and cons of alternative leadership structures in light of our operating and governance environment at the time, with the goal of achieving the optimal model for effective oversight of management by the board.

Chairman and Chief Executive Officer

The board of directors currently combines the role of Chairman of the Board with the role of Chief Executive Officer, or CEO, coupled with a Lead Independent Director position to further strengthen the governance structure. Our board of directors believes this provides an efficient and effective leadership model for the Company. Combining the Chairman and CEO roles fosters clear accountability, effective decision-making and alignment on corporate strategy.

Moreover, the board of directors believes that its governance practices provide adequate safeguards against any potential risks that might be associated with having a combined Chairman and CEO.

Specifically:

- Three of the five current directors of the Company are independent directors;
- All of the members of the audit committee, compensation committee, and nominating and corporate governance committee are independent directors;
- The board of directors and its committees regularly conduct scheduled meetings in executive session, out of the presence of Mr. Rashid and other members of management;
- The board of directors and its committees regularly conduct meetings that specifically include Mr. Rashid; and
- The board of directors and its committees remain in close contact with, and receive reports on various aspects of the Company's management and enterprise risk directly from, the Company's senior management and independent auditors.

Lead Independent Director

The board of directors has appointed a Lead Independent Director to provide an additional measure of balance, ensure the board's independence, and enhance the board's ability to fulfill its management oversight responsibilities. Kathleen M. Griggs currently serves as the Lead Independent Director. The Lead Independent Director:

- Presides over all meetings of the directors at which the Chairman is not present, including executive sessions of the independent directors;
- Works with the Chairman of the Board in the preparation of the agenda for each board meeting and in determining the need for special meetings of the board;
- Frequently consults with the Chairman and CEO about strategic policies;
- Provides the Chairman and CEO with input regarding board meetings;
- Serves as a liaison between the Chairman and CEO and the independent directors;
- Consults with the Chairman and CEO on matters relating to corporate governance and board performance; and
- Otherwise assumes such responsibilities as may be assigned to her by the independent directors.

While we currently do not have a policy mandating an independent lead director, the board believes that at this time, having an independent director fulfill the lead director role is the right approach for the Company. Having a combined Chairman and CEO, coupled with a substantial majority of independent, experienced directors who evaluate the board and themselves at least annually, including a Lead Independent Director with specified responsibilities on behalf of the independent directors, provides the right leadership structure for the Company and is best for the Company and its stockholders at this time.

Board Meetings and Committees

Our board of directors has established three standing committees - audit, compensation and nominating and corporate governance. Our audit, compensation and nominating and corporate governance committees each operate under a charter that has been approved by our board of directors. Current copies of the audit, compensation and nominating and corporate governance committee charters are posted in the Corporate Governance section of our website located at www.ofscreditcompany.com.

Our board of directors has determined that all of the members of each of the board of directors' standing committees are independent as defined under the rules of The Nasdaq Stock Market, LLC including, in the case of all members of the audit committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act.

Audit Committee

During Fiscal 2019, the audit committee consisted of Kathleen M. Griggs, Wolfgang Schubert and Romita Shetty. In May of 2019, Mr. Schubert resigned from the board of directors and was replaced by Mr. Cresci. Ms. Griggs chaired the audit committee during Fiscal 2019 and continues to do so currently. The audit committee held eight meetings in Fiscal 2019. It is anticipated that Mr. Cresci and Ms. Shetty, if re-elected to the board of directors by our stockholders, and Ms. Griggs will continue to serve on the audit committee in 2020. No member of the audit committee is an "interested person" of the Company, as defined in Section 2(a)(19) of the 1940 Act. Our audit committee's responsibilities include:

- appointing, approving the compensation of, and assessing the independence of our independent registered public accounting firm;
- overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of certain reports from such firm;
- reviewing and discussing with management our annual and quarterly financial statements and related disclosures;
- monitoring our internal control over financial reporting and disclosure controls and procedures;
- discussing our risk management processes and procedures, as discussed below under the heading “Board of Directors Role in Risk Oversight”;
- establishing policies regarding hiring employees from the independent registered public accounting firm and procedures for the receipt and retention of accounting related complaints and concerns;
- meeting independently with our independent registered public accounting firm and management;
- reviewing and approving or ratifying any related person transactions; and
- preparing the audit committee report required by SEC rules (which is included on page 20 of this proxy statement).

Our board of directors has determined that each of Ms. Griggs and Mr. Cresci is an “audit committee financial expert” as defined by applicable SEC rules.

Compensation Committee

During Fiscal 2019, the compensation committee consisted of Mses. Griggs and Shetty and Mr. Schubert. In May of 2019, Mr. Schubert resigned from the board of directors and was replaced by Mr. Cresci. Ms. Shetty chaired the compensation committee during Fiscal 2019 and continues to do so currently. It is anticipated that Ms. Shetty and Mr. Cresci, if re-elected to the board of directors by our stockholders, and Ms. Griggs will continue to serve on the compensation committee in 2020. The compensation committee held one meeting in Fiscal 2019. No member of the compensation committee is an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Our compensation committee’s responsibilities include:

- reviewing and approving the reimbursement by the Company of the compensation of the Company’s Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and Chief Compliance Officer; and
- reviewing and recommending for approval by the board of directors the compensation, if any, paid to directors that are not “interested persons” of the Company as such term is defined in Section 2(a)(19) of the 1940 Act.

Currently none of the Company’s executive officers are directly compensated by the Company. However, the Company reimburses its administrator for the allocable portion of overhead and other expenses incurred by the administrator in performing its obligations under an administration agreement, including an allocable share of the compensation of certain of the Company’s executive officers with finance and compliance responsibilities.

Nominating and Corporate Governance Committee

During Fiscal 2019, our nominating and corporate governance committee consisted of Mr. Schubert and Mses. Griggs and Shetty. In May of 2019, Mr. Schubert resigned from the board of directors and was replaced by Mr. Cresci. Mr. Cresci currently chairs the nominating and corporate governance. The nominating and corporate governance committee held two meetings in Fiscal 2019. It is anticipated that Mr. Cresci and Ms. Shetty, if re-elected to the board of directors by our stockholders, and Ms. Griggs will continue to serve on the nominating and corporate governance committee in 2020. No member of the nominating and corporate governance committee is an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Our nominating and corporate governance committee’s responsibilities include:

- identifying individuals qualified to become board members;
- recommending to the board of directors the persons to be nominated for election as directors and to each of the board’s committees;
- reviewing and making recommendations to the board of directors with respect to management succession planning; and
- overseeing an annual evaluation of the board of directors.

The processes and procedures followed by our nominating and corporate governance committee in identifying and evaluating director candidates are described below under the heading “Director Nomination Process,

Including Diversity Considerations.”

Board of Directors Role in Risk Oversight

Our management team has the primary responsibility for risk management and must develop appropriate processes and procedures to identify, manage and mitigate risks. Our board, through its oversight role, supervises our risk management activities to ensure that the risk management processes designed and implemented by our executives are adapted to, and integrated with, the board’s corporate strategy, designed to support the achievement of organizational objectives, functioning as directed and that necessary steps are taken to foster a culture of risk-adjusted decision-making throughout the enterprise.

A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full board of directors in setting our business strategy is a key part of its assessment of management’s appetite for risk and also a determination of what constitutes an appropriate level of risk for us. Through dedicated sessions focusing entirely on corporate strategy, the full board reviews in detail the company’s short- and long-term strategies, including consideration of significant risks facing the Company and their potential impact.

Our board performs its risk oversight function primarily through: (i) its standing committees, which report to the entire board and are comprised solely of independent directors; and (ii) active monitoring of our chief compliance officer and our compliance policies and procedures. For example, management of cybersecurity risks is the responsibility of the full board. Oversight of other risks is delegated to specific committees.

Oversight of our investment activities extends to oversight of the risk management processes employed by OFS Advisor as part of its day-to-day management of our investment activities. The board anticipates reviewing risk management processes at both regular and special board meetings throughout the year, consulting with appropriate representatives of OFS Advisor, as necessary, and periodically requesting the production of risk management reports or presentations. The goal of the board’s risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Investors should note, however, that the board’s oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of investments.

We believe that our approach to risk oversight, as described above, optimizes our ability to assess inter-relationships among the various risks, make informed cost-benefit decisions and approach emerging risks in a proactive manner for the Company. We also believe that our risk structure complements our current board leadership structure, as it allows our independent directors, through the three fully independent board committees and otherwise, to exercise oversight of the actions of management in identifying risks and implementing risk management policies and controls. We believe that the role of our board in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a regulated closed-end fund. As a regulated closed-end fund, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, we are limited in our ability to enter into transactions with our affiliates, including investing in floating rate credit instruments and other structured credit positions in which one of our affiliates currently has an investment.

Director Nomination Process, Including Diversity Considerations

The process followed by our nominating and corporate governance committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the nominating and corporate governance committee and other members of the board of directors, as applicable.

In considering whether to recommend any particular candidate for inclusion in the board’s slate of recommended director nominees, the nominating and corporate governance committee applies the criteria included in its charter. These criteria include the candidate’s integrity, business acumen, knowledge of our business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The nominating and corporate governance committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee.

We believe that our directors and nominees have an appropriate balance of knowledge, experience, attributes, skills and expertise required for our board as a whole and that we have sufficient independent directors to comply with applicable law and regulations. We believe that our directors have a broad range of personal and professional characteristics, including: leadership; management ability; financial experience; the ability to act with integrity and sound judgment; the capacity to demonstrate innovative thinking, consider strategic proposals, assist with the development of our strategic plan and oversee its implementation; the ability to oversee our risk

management efforts; and the commitment to preparation for, and attendance at, board and committee meetings.

Our board of directors does not have a specific diversity policy, but considers diversity of race, religion, national origin, gender, sexual orientation, disability, cultural background and professional experiences in evaluating candidates for board membership. We believe diversity is important because a variety of viewpoints contribute to an effective decision-making process.

Stockholders may recommend individuals to the nominating and corporate governance committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials, to the nominating and corporate governance committee, c/o Tod K. Reichert, Corporate Secretary, OFS Credit Company, Inc., 10 South Wacker Drive, Suite 2500, Chicago, Illinois 60606. Assuming that appropriate biographical and background material has been provided on a timely basis, the nominating and corporate governance committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the nominating and corporate governance committee or our board of directors, by following the procedures set forth under Article II, Section 2.11, “*Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals*,” in our bylaws and that are described in this proxy statement under the heading “Submission of Stockholder Proposals.”

At the Annual Meeting, stockholders will be asked to consider the election of two independent directors, Robert J. Cresci and Romita Shetty, each of whom is standing for re-election.

Executive Sessions and Communicating with the Board of Directors

The independent directors serving on our board of directors intend to meet in executive sessions at the conclusion of regularly scheduled meetings of the board of directors, and additionally as needed, without the presence of any directors or other persons who are part of the Company’s management. These executive sessions of our board of directors will be presided over by Ms. Griggs, the Company’s Lead Independent Director.

Our board of directors will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. The Chairman of the Board (if an independent director), or the lead director (if one is appointed), or otherwise the chairperson of the nominating and corporate governance committee, with advice and assistance from the general counsel and chief compliance officer and, if requested, outside legal counsel, is primarily responsible for monitoring communications from stockholders and for providing copies of summaries of such communications to the other directors as he or she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Chairman of the Board considers to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board of directors should address such communications to the board of directors, c/o Tod K. Reichert, Corporate Secretary, OFS Credit Company, Inc., 10 South Wacker Drive, Suite 2500, Chicago, Illinois 60606.

Related-Party Transactions and Certain Relationships

We have entered into agreements with OFS Advisor and its affiliates in which certain members of our senior management have ownership and financial interests.

Investment Advisory and Management Agreement

We have entered into an Investment Advisory and Management Agreement with OFS Advisor and will pay OFS Advisor a base management fee and incentive fee. The incentive fee will be computed and paid on income that we may not yet have received in cash. This fee structure may create an incentive for OFS Advisor to invest in certain types of securities. Additionally, we rely on investment professionals from OFS Advisor to assist our board of directors with the valuation of our portfolio investments. OFS Advisor’s base management fee and incentive fee are based on the value of our investments and there may be a conflict of interest when personnel of OFS Advisor are involved in the valuation process for our portfolio investments. In addition, the incentive fee payable by us to OFS Advisor may create an incentive for OFS Advisor to cause us to make more speculative investments or increase our debt outstanding more than would be the case in the absence of such compensation arrangement. The base management fee that we paid to OFS Advisor for Fiscal 2019 and for the six-month period ended April 30, 2020 was \$1.1 million and \$537,943, respectively. The incentive fee that we paid to OFS Advisor for Fiscal 2019 and for the six-month period ended April 30, 2020 was \$1.06 million and \$591,517, respectively.

License Agreement

We have entered into a license agreement with OFSAM under which OFSAM grants us a non-exclusive, royalty-free license to use the name “OFS.”

Administration Agreement

We have entered into an Administration Agreement, pursuant to which OFS Capital Services, LLC (“OFS Services”) furnishes us with office facilities, equipment, necessary software licenses and subscriptions and clerical, bookkeeping and record keeping services at such facilities. Under our Administration Agreement, OFS Services performs, or oversees the performance of, our required administrative services, which include, among other things, being responsible for the financial records that we are required to maintain and preparing reports to our stockholders and all other reports and materials required to be filed with the SEC or any other regulatory authority. Administration fee expense for Fiscal 2019 and for the six-month period ended April 30, 2020 was \$739,165 and \$447,536, respectively.

Staffing Agreements

OFS Advisor is an affiliate of OFSC, with which it has entered into a Staffing and Corporate Services Agreement (the “Staffing Agreement”). Under this agreement, OFSC makes available to OFS Advisor experienced investment professionals and access to the senior investment personnel and other resources of OFSC and its affiliates. The Staffing Agreement provides OFS Advisor with access to deal flow generated by the professionals of OFSC and its affiliates and commits the members of the Advisor Investment Committees (discussed below) to serve in that capacity. OFS Advisor capitalizes on the significant deal origination and sourcing, credit underwriting, due diligence, investment structuring, execution, portfolio management and monitoring experience of OFSC’s investment professionals.

OFSC also has entered into a Staffing and Corporate Services Agreement with OFS Services. Under this agreement, OFS Services makes available to OFSC the administrative resources of OFS Services.

Investment Committees, Investment Allocation and Transactions with Certain Affiliates

OFS Advisor and its affiliates manage other assets and funds, and may manage other entities in the future, including business development companies (“BDCs”), and these other funds and entities may have similar or overlapping investment strategies. OFS Advisor’s Pre-Allocation Investment Committee, Middle Market Investment Committee, Broadly Syndicated Investment Committee and Structured Credit Investment Committee, (the “Structured Credit Investment Committee”, and collectively, the “Advisor Investment Committees”), are responsible for the overall asset allocation decisions and the evaluation and approval of investments of OFS Advisor’s advisory clients. The Structured Credit Investment Committee, which is comprised of Richard Ressler (Chairman), Jeffrey Cerny, Bilal Rashid, Glen Ostrander and Kenneth A. Brown, is responsible for the evaluation and approval of all the investments made by us directly or through our wholly-owned subsidiaries, as appropriate. The Structured Credit Investment Committee also determines appropriate investment sizing and implement ongoing monitoring requirements of our investments.

Our senior management, members of the Advisor Investment Committees, members of the Structured Credit Investment Committee and other investment professionals from OFSAM or its other affiliates are serving or may serve as officers, directors or principals of (i) entities that operate in the same or a related line of business as we do, (ii) entities in which we invest or in which we are considering making an investment or (iii) investment funds or other investment vehicles managed by OFS Advisor or its affiliates. Through these and other relationships, these individuals may obtain material non-public information that might restrict our ability to buy or sell the securities of a company under the policies of the Company or applicable law.

Similarly, OFS Advisor and/or its affiliates have other clients with similar, different or competing investment objectives. In serving in these multiple capacities, they may have obligations to other clients or investors in those entities, the fulfillment of which may not be in the best interests of us or our stockholders. An investment opportunity that is suitable for multiple clients of OFS Advisor and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act. There can be no assurance that OFS Advisor’s or its affiliates’ efforts to allocate any particular investment opportunity fairly and equitably among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor. As a result, we may not be given the opportunity to participate in certain investments made by investment funds, accounts or other investment vehicles managed by OFS Advisor and its affiliates or by members of our investment committees.

We are prohibited under the 1940 Act from participating in certain transactions with our affiliates without the prior approval of our independent directors and, in some cases, of the SEC. Those transactions include purchases and sales, and so-called “joint” transactions, in which we and one or more of our affiliates are engaging together in

certain types of profit-making activities. Any person that owns, directly or indirectly, five percent or more of our outstanding voting securities will be our affiliate for purposes of the 1940 Act, and we are generally prohibited from engaging in purchases from, sales of assets to, or joint transactions with such affiliates, absent the prior approval of our independent directors. Additionally, without the approval of the SEC, we are prohibited from engaging in purchases from, or sales of assets to, or joint transactions with, certain affiliates, including: (a) our officers, directors, and employees; (b) OFS Advisor and its affiliates; and (c) OFSAM and its affiliates.

We may, however, invest alongside OFSAM and its affiliates or their respective other clients in certain circumstances where doing so is consistent with current law and SEC staff interpretations. For example, we may invest alongside such accounts consistent with guidance promulgated by the SEC staff permitting us and such other accounts to purchase interests in a single class of privately placed securities so long as certain conditions are met, including that OFS Advisor, acting on our behalf and on behalf of other clients, negotiates no term other than price. Co-investment with such other accounts is not permitted or appropriate under this guidance when there is an opportunity to invest in different securities of the same issuer or where the different investments could be expected to result in a conflict between our interests and those of other accounts.

On October 12, 2016, OFS Advisor and certain funds that it manages received exemptive relief from the SEC (the "Order"), which we are able to rely on, that permits us to co-invest in portfolio companies with certain affiliates, provided that we comply with the conditions of the Order. Pursuant to the Order, we are generally permitted to co-invest with BDCs, registered investment companies and private funds managed by OFS Advisor or any adviser that controls, is controlled by, or is under common control with, OFS Advisor, and is registered as an investment adviser under the Advisers Act, in a manner consistent with our investment strategy as well as applicable law, including the terms and conditions of the Order. Under the terms of the Order, a "required majority" (as defined in Section 57(o) of the 1940 Act) of our independent directors must make certain conclusions in connection with a co-investment transaction, including that (1) the terms of the transaction, including the consideration to be paid, are reasonable and fair to us and our stockholders and do not involve overreaching by us or our stockholders on the part of any person concerned and (2) the transaction is consistent with the interests of our stockholders and is consistent with our investment objective and strategies. We have applied for a new exemptive order, which, if granted, would supersede the Order and would permit us greater flexibility to enter into co-investment transactions. There can be no assurance that we will obtain such new exemptive relief from the SEC.

OFS Advisor will seek to allocate investment opportunities among eligible accounts in a manner that is fair and equitable over time and consistent with its allocation policy. Under this allocation policy, if OFS Advisor is actively seeking investments for two or more investment vehicles with similar or overlapping investment strategies, an available opportunity will be allocated based on the provisions governing allocations of such investment opportunities under law or in the relevant organizational, offering or similar documents, if any, for such investment vehicles. In the absence of any such provisions, OFS Advisor will consider the following factors and the weight that should be given with respect to each of these factors:

- investment guidelines and/or restrictions, if any, set forth in the applicable organizational, offering or similar documents for the investment vehicles;
- the status of tax restrictions and tests and other regulatory restrictions and tests;
- risk and return profile of the investment vehicles;
- suitability/priority of a particular investment for the investment vehicles;
- if applicable, the targeted position size of the investment for the investment vehicles;
- level of available capital for investment with respect to the investment vehicles;
- total amount of funds committed to the investment vehicles; and
- the age of the investment vehicles and the remaining term of their respective investment periods, if any.

When not relying on the Order, priority as to opportunities will generally be given to accounts that are in their "ramp-up" period over the accounts that are outside their ramp-up period but still within their investment or re-investment periods. However, application of one or more of the factors listed above, or other factors determined to be relevant or appropriate, may result in the allocation of an investment opportunity to a fund no longer in its ramp-up period over a fund that is still within its ramp-up period.

In situations where co-investment with other accounts is not permitted or appropriate, OFS Advisor will need to decide which account will proceed with the investment. The decision by OFS Advisor to allocate an opportunity to another entity could cause us to forego an investment opportunity that we otherwise would have

made. These restrictions, and similar restrictions that limit our ability to transact business with our officers or directors or their affiliates, may limit the scope of investment opportunities that would otherwise be available to us.

Conflicts may arise when we make an investment in conjunction with an investment being made by another account managed by OFS Advisor or an affiliate of OFS Advisor (each, an "Affiliated Account"), or in a transaction where an Affiliated Account has already made an investment. Investment opportunities are, from time to time, appropriate for more than one account in the same, different or overlapping securities of a portfolio company's capital structure. Conflicts arise in determining the terms of investments, particularly where these accounts may invest in different types of securities in a single portfolio company. Questions arise as to whether payment obligations and covenants should be enforced, modified or waived, or whether debt should be restructured, modified or refinanced.

We may invest in debt and other securities of companies in which Affiliated Accounts hold those same securities or different securities, including equity securities. In the event that such investments are made by us, our interests will at times conflict with the interests of such Affiliated Accounts, particularly in circumstances where the underlying company is facing financial distress. Decisions about what action should be taken, particularly in troubled situations, raise conflicts of interest, including, among other things, whether or not to enforce claims, whether or not to advocate or initiate a restructuring or liquidation inside or outside of bankruptcy, and the terms of any work-out or restructuring. The involvement of Affiliated Accounts at both the equity and debt levels could inhibit strategic information exchanges among fellow creditors, including among us or Affiliated Accounts. In certain circumstances, we or an Affiliated Account may be prohibited from exercising voting or other rights and may be subject to claims by other creditors with respect to the subordination of their interest.

In the event that we or an Affiliated Account has a controlling or significantly influential position in a portfolio company, that account may have the ability to elect some or all of the board of directors of such a portfolio company, thereby controlling the policies and operations of such portfolio company, including the appointment of management, future issuances of securities, payment of dividends, incurrence of debt and entering into extraordinary transactions. In addition, a controlling account is likely to have the ability to determine, or influence, the outcome of operational matters and to cause, or prevent, a change in control of such a company. Such management and operational decisions may, at times, be in direct conflict with other accounts that have invested in the same portfolio company that do not have the same level of control or influence over the portfolio company.

If additional capital is necessary as a result of financial or other difficulties, or to finance growth or other opportunities, the accounts may or may not provide such additional capital, and if provided each account will supply such additional capital in such amounts, if any, as determined by OFS Advisor. In addition, a conflict arises in allocating an investment opportunity if the potential investment target could be acquired by us, an Affiliated Account, or a portfolio company of an Affiliated Account. Investments by more than one account of OFS Advisor or its affiliates in a portfolio company also raise the risk of using assets of an account of OFS Advisor or its affiliates to support positions taken by other accounts of OFS Advisor or its affiliates, or that an account may remain passive in a situation in which it is entitled to vote. In addition, there may be differences in timing of entry into, or exit from, a portfolio company for reasons such as differences in strategy, existing portfolio or liquidity needs, different account mandates or fund differences, or different securities being held. These variations in timing may be detrimental to us.

The application of our or an Affiliated Account's governing documents and the policies and procedures of OFS Advisor are expected to vary based on the particular facts and circumstances surrounding each investment by two or more accounts, in particular when those accounts are in different classes of an issuer's capital structure (as well as across multiple issuers or borrowers within the same overall capital structure) and, as such, there may be a degree of variation and potential inconsistencies, in the manner in which potential or actual conflicts are addressed.

PROPOSAL TWO

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board Recommendation

Our board of directors recommends a vote “FOR” the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2020.

The audit committee of our board of directors has selected KPMG LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2020. If this proposal is not approved at the Annual Meeting, our board of directors will reconsider its appointment of KPMG LLP. Representatives of KPMG LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions from our stockholders.

KPMG LLP has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in us or our subsidiaries.

Auditors’ Fees

The following table summarizes the fees of KPMG LLP, the Company’s independent registered public accounting firm, billed for our fiscal years ended October 31, 2019 and October 31, 2018:

Fee Category	Fiscal Year Ended October 31, 2019 (\$)	Fiscal Year Ended October 31, 2018 (\$)
Audit Fees(1)	227,237	120,000
Audit-Related Fees(2)	—	—
Tax Fees(3)	25,000	15,000
All Other Fees(4)	—	—
Total Fees(5)(6)	252,237	135,000

- (1) Audit fees include fees for professional services that generally only the independent accountant can provide. In addition to fees, including out-of-pocket expenses, for the audit of our annual financial statements, the audit of the effectiveness of our internal control over financial reporting, and the review of our quarterly financial statements in accordance with generally accepted auditing standards, this category contains fees for comfort letters, statutory audits, consents, and assistance with and review of documents filed with the SEC. Audit fees for Fiscal 2018 include \$85,000 borne by the Company, and \$35,000 paid by OFS Advisor related to services rendered prior to our initial public offering. All audit fees in Fiscal 2019 were borne by the Company.
- (2) Audit-related services consist of fees billed, including out-of-pocket expenses, for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.
- (3) Tax fees consist of fees billed, including out-of-pocket expenses, for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.
- (4) Fees for other services would include fees for products and services other than the services reported above.
- (5) All fees set forth above were approved by our audit committee.
- (6) During fiscal years ended October 31, 2019 and October 31, 2018, the independent accountant did not bill fees for non-audit related services to the Company, OFS Advisor or any entity controlling, controlled by, or under common control with OFS Advisor that provides ongoing services to the Company.

Pre-Approval Policies and Procedures

Our audit committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. This policy generally provides that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by our audit committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the audit committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the audit committee. However, in urgent cases, the audit committee chair may pre-approve audit and non-audit services (other than prohibited non-audit services), provided that the audit committee chair reports any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate its responsibilities to pre-approve services performed by the independent registered accounting firm to management.

The audit committee has determined that the rendering of the services other than audit services currently being provided by KPMG LLP is compatible with maintaining the independent registered public accounting firm’s independence.

Audit Committee Report

The audit committee has reviewed the Company's audited financial statements for the fiscal year ended October 31, 2019 and has discussed these financial statements with the Company's management and the Company's independent registered public accounting firm ("KPMG"). Management is responsible for the preparation of the Company's financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. KPMG is responsible for conducting an independent audit of the Company's annual financial statements in accordance with generally accepted auditing standards and issuing a report on the results of their audit. The audit committee is responsible for providing independent, objective oversight of these processes.

The audit committee has discussed with KPMG the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, issued by the Public Company Accounting Oversight Board.

KPMG also provided the audit committee with written disclosures and a letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding KPMG's communication with the audit committee concerning independence and has discussed with the audit committee their independence.

Based on the review and discussions referred to above, the audit committee recommended to the Company's board of directors that the audited financial statements be included in the Company's October 31, 2019, Annual Report.

By the Audit Committee of the Board of Directors of OFS Credit Company, Inc.:

You also have a right to object to processing of your personal data where that processing is carried out for our legitimate interest or for direct marketing.

You also have the right in some circumstances to request for us to "port" your personal data in a portable, re-usable format to other organizations (where this is possible).

You will not be denied or charged different prices or rates for goods or services or provided a different level or quality of goods or services.

How We Will Handle a Request to Exercise Your Rights

For requests for access or deletion, we will first acknowledge receipt of your request. We will provide a substantive response to your request as soon as we can, generally within 45 days from when we receive your request, although we may be allowed to take longer to process your request under certain circumstances. If we expect your request is going to take us longer than normal to fulfil, we'll let you know.

When you make a request to access or delete your personal information, we will take steps to verify your identity. These steps may include asking you for personal information, such as your name, address, or other information we maintain about you. If we are unable to verify your identity with the degree of certainty required, we will not be able to respond to the request. We will notify you to explain the basis of the denial.

You may also designate an authorized agent to submit requests on your behalf. If you do so, you will be required to verify your identity by providing us with certain personal information as described above. Additionally, we will also require that you provide the agent with written permission to act on your behalf, and we will deny the request if the agent is unable to submit proof to us that you have authorized them to act on your behalf.

You may exercise your right to make these requests/objections by contacting us at 1-833-687-3622 or sending us an email at privacy@ofsmanagement.com at any time if you wish to do so. These requests for disclosure are generally free.

We may not, and will not, discriminate against any California Consumer who exercises his/her rights as set forth in this policy.
