The ultimate tax character of the Company's distributions cannot be determined until the corresponding tax return is filed. The estimated information provided is not for tax reporting purposes and could differ materially from amounts reported to common shareholders on Form 1099-DIV. Past performance is not indicative of future results, and distributions are not guaranteed.
7. The Company's Dividend Reinvestment Plan (DRIP) offers its common stockholders the opportunity to receive a 5% discount to the market price per share of common stock at the close of regular trading on The Nasdaq Capital Market on the valuation date fixed by the Board for each distribution (i.e., the payment date).
